

§ 708.1

18 CFR Ch. VI (4–1–98 Edition)

SOURCE: 44 FR 14537, Mar. 13, 1979, unless otherwise noted.

§ 708.1 Definitions.

As used in the part, the term:

(a) *Act* means the Inland Waterways Authorization Act of 1978, Pub. L. 95-502.

(b) *Commission* means the Upper Mississippi River Basin Commission, with headquarters at Fort Snelling, Twin Cities, Minnesota.

(c) *Master Plan* means the Upper Mississippi River System Comprehensive Master Management Plan mandated by Title I of the Act.

(d) *GREAT* refers to studies conducted by Great River Environmental Action Teams pursuant to section 117 of the Water Resources and Development Act of 1976 (Pub. L. 94-587) for purposes of developing balanced management strategies for multipurpose use of the Upper Mississippi River.

(e) *System* means those Upper Mississippi River reaches containing commercial navigation channels on the Mississippi River main stem north of Cairo, Illinois; the Minnesota River, Minnesota; Black River, Wisconsin; Saint Croix River, Minnesota and Wisconsin; Illinois River and Waterway, Illinois; and Kaskaskia River, Illinois.

(f) *Public meeting* means a meeting to provide individuals and representatives of interested organizations opportunities to present their opinions and suggestions by means of an informally structured format.

(g) *Public hearing* means a formally structured public meeting scheduled to provide adequate time for each testimony, which will be recorded, transcribed, published, and made available to the public.

§ 708.2 Scope.

(a) This part describes minimum guidelines for public participation in the development, revision, and implementation of the Master Plan specified in the Act.

(b) This part applies to the following organizations with references to the activities described in § 708.2(a):

(1) The Commission, including its staff and persons, organizations, and agencies under contract to it for work within the scope of the Master Plan.

(2) Such Federal departments and agencies as are directed under section 101(3) of the Act to conduct studies pursuant to the Master Plan, for any work carried out for purposes of developing, revising, and implementing the Master Plan.

(3) Such departments and agencies of any state or local government as are authorized and/or directed to carry out studies and analyses under direction or advice of the Commission as stipulated in section 101 of the Act.

(c) The guidelines referred to in this part shall be considered general requirements applicable to all studies, procedures, programs, regulations, or other administrative devices carried out under § 708.2(b), but only for those Master Plan Activities under authority of the Act.

§ 708.3 Policy, objectives, and standards.

(a) *Policy.* (1) Congress has directed the Commission to prepare a comprehensive Master Plan for management of the System in cooperation with appropriate Federal, state, and local officials. In developing the plan, the Commission is required to identify various economic, recreational, and environmental objectives of the System, recommend guidelines to achieve such objectives, and propose methods to assure compliance with such guidelines and coordination of future management decisions affecting the System, and include with the proposed plan any legislative proposals which may be necessary to carry out such recommendations and achieve such objectives.

(2) The Commission is required to provide for public participation in the development, revision, and implementation of the Master Plan and to encourage and assist such participation. In doing this, the Commission seeks to foster a spirit of openness and a sense of mutual trust between the public and the planners. Public participation is expected to result in greater responsiveness of the Master Plan to public concerns and priorities, as well as improved popular understanding of official studies, planning processes, and decisions.

(3) In order for public participation to be effective, it must be timely and
